

Our Vision

To ensure that no kidney patient will perish because of the lack of funds for dialysis and to find a cure for kidney and kidney-related diseases.

Our Mission

To look after needy people with end-stage kidney disease through quality care, education and research.

Our Niche

KDF is focused on serving needy kidney patients in Singapore.

Pillars of KDF

At KDF, our service to the community is exemplified by the following pillars:

Treatment

We extend hope and the lives of needy kidney patients by providing them with dialysis treatment.

Education

We educate our patients and the public on kidney-related information to help them make informed choices regarding their health.

Research

We fund clinical research aimed at finding a cure for kidney and kidney-related diseases.
